## 3<sup>RD</sup> INTERNATIONAL KLAUS BETKE SYMPOSIUM

Clinical and immunological aspects of inflammatory  
bowel diseases in children

February 28 - March 1, 2017  
(public program)

ABSTRACTS INVITED!  
[kbs2017.wordpress.com](http://kbs2017.wordpress.com)

Dear friends and colleagues!

We are happy to invite you to the third „International Klaus Betke Symposium“ in Munich on February 28 and March 1, 2017. The meeting will focus on clinical and immunological aspects of inflammatory bowel diseases in children. In addition to the scientific program, there is plenty of opportunity for exchange and networking.

February 28, 2017 is the tenth international „Rare Disease Day“. We wish to commemorate the Rare Disease Day and to increase awareness for children with rare diseases. Research is key. It brings hope to the millions of people living with a rare disease.

We are looking forward to your visit!

With best regards

**Prof. Dr. Dr. Christoph Klein**

*Professor of Pediatrics  
Dr. von Hauner Children's Hospital  
Ludwig Maximilians University Munich*
