4:35pm **How does the immune system work?**

Manel Juan Otero, *Hospital Clínic*

5.10pm **Warning signs. PID classification**

Àngela Deyà, *Hospital Sant Joan de Déu.*

5.45pm *Coffee break*

6:00pm **Basic tools in the diagnosis of PID**

Mònica Martínez, *Vall d'Hebron Campus Hospitalari*

6:30pm **PID treatment: immunoglobulins, vaccines and antibiotics**

Aurora Fernández-Polo, *Vall d'Hebron Campus Hospitalari*

Jacques Riviere, *Vall d'Hebron Campus Hospitalari*

7:00pm **Students Oral Case Presentations (2)**

Chair: Pere Soler, *Vall d'Hebron Campus Hospitalari*

Thursday April 27th 2023

4.30pm **Predominantly antibody deficiencies**

Pilar Llobet Agulló, *Hospital de Granollers*

5:00pm **Combined immunodeficiencies. Newborn screening**

Pere Soler-Palacín, *Vall d'Hebron Campus Hospitalari*

5:30pm **Phagocytic disorders**

Andrea Martín Nalda, *Vall d'Hebron Campus Hospitalari*

6:00pm *Coffee break*

6:30pm **Students Oral Case Presentations (4)**

Chair: Marc Bohigues, *Hospital Germans Trias*; Alexandru Vlagea, *Hospital Clínic Barcelona*

Tuesday, May 2nd 2023

4:30pm **Autoinflammatory disorders**

Anna Mensa, *Hospital Clínic*

5:00pm **Defects in intrinsic and innate immunity**

Laia Alsina, *Hospital Sant Joan de Déu*

5:30pm **Complement deficiencies**

Roger Colobran, *Vall d'Hebron Campus Hospitalari*

6:00pm *Coffee break*

6:15pm **PID treatment: basis of hematopoietic stem cell transplantation and gene therapy**

Adriana Margarit, *Vall d'Hebron Campus Hospitalari*

Laura Alonso, *Vall d'Hebron Campus Hospitalari*

7.00pm **Students Oral Case Presentation (2)**

Chair: Laia Alsina, *Hospital Sant Joan de Déu*

Thursday, May 4th 2023

4.30pm **Immunodysregulation and lymphoproliferation syndromes**

Jacques G. Rivière, *Vall d'Hebron Campus Hospitalari*

5:00pm **Other well-defined PID**

Ana Pilar Garcia, *Hospital Sant Joan de Déu*

5:30pm **Peculiarities of PID in adults**

Xavier Solanich, *Hospital de Bellvitge*

6:00pm *Coffee break*
