

ESID

MOTIVATION LETTER

Mariya Ivanovska, MD, PhD

Chief assistant professor at the Department of Medical microbiology and Immunology
Medical University-Plovdiv, BULGARIA

Date: 07/06/2024

Dear colleagues,

I am writing in response of ESID Junior Country Representative Elections Candidacy. At this time I am working as a chief assistant professor in clinical immunology the Department of Microbiology and Immunology- Medical University of Plovdiv, Bulgaria and as a clinical immunologist at the lab of clinical immunology at the University hospital "St.George"-Plovdiv. Also, I'm a researcher at our Research Institute within the Medical University working in the field of PNEI, psychobiotics, stress-related disorders and primary immunodeficiencies. Furthermore, I work at flow lab where my research interests are mainly in stem cell enumeration before and after stem cell transplantation.

I personally believe that my experiences and education make me a strong candidate for this particular opportunity. Thanks to the numerous courses and trainings, I have gained experience in the project cycle management, teamwork, intercultural management, and in conflict resolution.

Nevertheless this position will provide me an opportunity to gain further experience and upgrade my skills and knowledge in PID.

I believe that combination of my skills, experience and knowledge suits your expectation regarding profile of ESID Junior Country Representative Elections Candidacy.

I am ready to provide any further information if necessary via telephone or e-mail.

Thank you very much for your consideration and time,
