

Cinzia Milito, M.D., Ph.D.
Curriculum Vitae

General Information

Personal Data: Cinzia Milito, Taranto, Italy - September 03, 1976

Institution: Department of Molecular Medicine “Sapienza” University of Rome – Referral Center for Primary Immunodeficiencies

e-mail: cinzia.milito@uniroma1.it

Position

Clinical Researcher at Primary Immunodeficiency Unit, Regione Lazio, Italy Sapienza University of Rome, Rome (Italy).

Major research areas:

Primary Immunodeficiencies with particular focus on primary antibody deficiencies: natural history, clinical outcome, immunoglobulin therapy. B-lymphocytes defects in primary immunodeficiencies syndromes. Anti- polysaccharide antibody response. B-cell lymphoproliferative disorders. Covid-19 in PAD.

Secondary immunodeficiency: pathophysiology, clinical course and therapy.

Education

(2001) School of Medicine Degree, “Sapienza” University of Rome

(2006) Specialist in Allergology and Clinical Immunology, “Sapienza” University of Rome

(2012) Ph.D. in Clinical Immunology, “Sapienza” University of Rome

2020: National Scientific qualification as Associate Professor in the Italian higher education system, for the disciplinary field of 06/B1 - Internal medicine

Career

(2019 up to now) Clinical Researcher at Primary Immunodeficiency Unit, Sapienza University of Rome, (Italy)

September - November 2019: visitor position in Erasmus University Medical Center in Rotterdam (Netherlands), conducting research activities with Martin Van Hagen’s group in patients affected by Common Variable Immunodeficiency.

(2022 up to now) Vice Director of the School of Specialty in Allergy and Clinical Immunology, “Sapienza”, University of Rome

(2012 up to now) Experience in conducting clinical trials: multicentric Italian and international trials as co-investigator including Collaborative Research Project, founded by the European Commission:

“Pathophysiology and Natural Course of Primary Antibody Deficiency (PAD) Syndromes (EURO-PADnet) and two clinical trials founded by Italian Medicines Agency.

2014 up to now: co-Responsible for Italian Network on CVID (IPINET: Italian Primary Immunodeficiency Network)

Teaching

(2014 up to now) Professor, Clinical Immunology, School of Medicine “Sapienza”, University of Rome, Italy.

(2019 up to now) Professor, Internal Medicine, School of Medicine “Sapienza”, University of Rome, Italy.

(2019 up to now) Professor, School of Specialty in Allergy and Clinical Immunology, “Sapienza”, University of Rome

(2019 up to now) Professor, Master in Rare Disease, “Sapienza”, University of Rome, Italy.

(2019 up to now) Professor, Master in Practical Rhino-Allergology, “Sapienza”, University of Rome, Italy.

(2021 up to now) Professor, Master in Pediatric Allergy and Immunology, “Sapienza”, University of Rome, Italy.

(2023 up to now) Professor, Master in Inborn Errors of Immunity, University of Brescia

Funding

(2022) Sapienza University of Rome as Coordinator of the Project “Validation of an algorithm for Granulomatous Lymphocytic Interstitial Lung Disease (GLILD) diagnosis in Primary Antibody Deficiencies (PAD)”

(2019) Sapienza University of Rome as Coordinator of the Project “Longitudinal study on Health-Related Quality of Life in patients with Common Variable Immunodeficiency switching from

Society memberships, Awards and Honors

IPINET (Comitato Strategico per lo studio delle Immunodeficienze): co-chair Italian study and registry on COVID

SIAAIC membership and Board member of Interest Group for Primary Immunodeficiency

ESID membership

EAACI membership

SIMI membership

Young Investigator Award, at International Forum on Immunoglobulin Research (Barcelona) in 2018

EFIS grant in 2014

EAACI grant in 2018

Co-author of 83 scientific publications published in peer-reviewed international journals.

H-Index: 24. Citations: 2004
