
SGPI/POSPID National Congress with International Participation

05.04.2024 (08:30-17.30) Jugoslovenska Kinoteka, Uzun Mirkova 1, Beograd

Registration of participants from 08:30

Wellcome by the organizers (SGPI/POSPID) 8:50 - 9:00

Session I: Multidisciplinary approach to IEIs (9:00-10:45)

Moderators: Professor Branka Bonaci-Nikolic (UCCS, Serbia) and Professor Desa Lilic (Newcastle, UK)

9:00-9:15: Prof. Branka Bonaci-Nikolic (UCCS, Serbia) – Spectrum of IEIs: phenotype/genotype correlation

9:15-9:30: Prof. Sonja Pavlovic (IMGGI, Srb) – The importance of genetic analysis in patients with IEIs

9:30-9:45: Asist. Prof. Maja Stojanovic (UCCS, Serbia) – CVID and CVID-like disorders

9:45-10:00: Prof. Goran Marjanovic (UCC, Serbia) – IEIs/association with malignancies

10:00-10:15: Ivan Rankovic MD, MSc, FRCP (Royal Cornwall Hospital, UK) – Gastroenterological approach to enteropathies in CVID

10:15-10:25: Asist. Prof. Ana Petkovic (UCCS, Serbia) – Enteropathies in CVID from a radiological perspective, our experience

Discussion and key takeaways by session moderators 10:25-10:45

Coffee break: 10.45-11:00

Session II: IEIs in paediatric patients (11:00-12:15)

Moderators: Professor Mario Abinun (Newcastle, UK) and Professor Borko Milanovic (IZZDIOV, Serbia) (Professor Srdjan Pasic, IMC, Serbia?)

11:00-11:15: Martine Pergent (IPOPI President) - Importance of networking and collaboration among patients and professionals – international prospective

11:15-11:30: Želimir Erić, MD, MSc (UKC Banja Luka, RS) SCID – Challenges in recognition and treatment

11:30-11:45 Gordana Petrovic MD, PhD (IMC, Serbia) – The importance of neonatal screening for SCID

11:45-12:00 Prof. Sladjana Andrejević (UCCS, Serbia) - Agammaglobulinemia – Clinical Phenotypes, and Management

Discussion and key takeaways by session moderators 12:00-12:15

Coffee break: 12:15-12:25

Session III HSCT in IEIs

Moderators: Professor Mario Abinun, Professor Milena Todorović-Balint, Professor Dragana Vujić

12:25-12:40 Prof. Dragana Vujic (IMC, Serbia) - Stem Cell Transplantation in paediatric patients with IEIs

12:40-12:55 Prof. Milena Todorovic Balint (UCCS, Serbia) -Stem Cell Transplantation in Adult Patients with IEIs

Discussion and key takeaways by session moderators 12:55-13:05

Session IV: Poster Presentation 13:05-13:35

Moderators: Professor Borko Milanovic (IZZDIOV, Serbia) and Asist. Prof. Radovan Mijanović (UCCS, Serbia)

Award Ceremony for the Best Poster Presentation (Professor Borko Milanovic)

Lunch break: 13:30-14:15 (SGPI, POSPID)

Session V : Immune Dysregulations and Autoinflammatory Diseases (14:15-15:35)

Moderators: Professor Goran Marjanovic (UCC, Serbia) and Professor Sladjana Andrejevic (UCCS, Serbia)

14:15-14:30: Professor Tadej Avcin (UMC Ljubljana, Slovenia) - Overlap of Primary and Secondary Immunodeficiencies

14:30-14:45: Sara Bindoli, MD, PhD (Rheumatology Unit, Department of Medicine University of Padova, Italy) - Adult-onset Still's Disease & Macrophage Activation Syndrome

14:45-15:00: Associate Professor Rada Miskovic (UCCS, Serbia) - Monogenic Lupus/Lupus-like Syndromes

15:00-15:15 Associate Professor Ivica Jeremic (Institute of Rheumatology, Serbia) – The spectrum of Behçet's Disease

15:15-15:25: Asist. Prof. Dragana Lazarevic (UCC, Serbia)-Targeted therapy for IEIs, our experience

Discussion and Key Messages by the Session Moderators: 15:25-15:45

Coffee Break: 15:45-15:55 (SGPI, POSPID)

Session VI: Patient Representatives (15:55-16:15)

Moderators: Natasa Gojkovic and Sandra Stojiljkovic Cvetkovic (SPwPID)

*POsPID: What are the current problems of patients with PID, and what can we do to improve diagnosis, treatment and the quality of life of people diagnosed with PID?
(Patient or patient's family: The patient's journey from first symptoms to final diagnosis)*

Session VII: Young Doctors' Session (16:15-16.55)

Moderators: Jelena Ljubicic, MD (UCCS, Serbia) - ESID Junior Country Representative and Tijana Djerić, MD (IMC, Serbia) (Representatives from UDC Tirsova, NS, Nis)

Online guests:

Representative from ESID: Clara Franco Jarava MD, PhD (Hospital Vall d'Hebron, Barcelona, Spain)
Chair of the ESID Education Working Party
Filippo Consonni MD (Ospedale Pediatrico Meyer, Florence, Italy) – ALPS Case Presentation

16:55 PM: Presentation of the Lilic -Abinun Foundation; University of Newcastle, UK

Closing word from the Organizers and closing of the Congress (SGPI i POsPID)

17:30-18:30: Belgrade City Tour

19:00 Networking dinner

Paralel session / small room : POsPID

Workshop I: 12.15-13.00 PIDs in Serbia

Moderators: Natasa Gojkovic (SPwPID) and dr Gordana Petrovic (SGPI)

12:15-12:30 Martine Pergent (IPOPI) and Dragana Koruga (SPwPID) The importance of international cooperation for the development and efficiency of national organizations - opportunities and challenges

12:30-12:45 dr Maja Stojanović (SGPI) and Nataša Gojković (SPwPID) Analysis of the current situation: assessment of the number of patients, analysis of available diagnostics and therapy in Serbia
12.45-12.55 Living with PID in Serbia (video and patient testimonial)

12:55-13:05 Olivera Jovovic (MoLVSA) Possibilities of overcoming administrative difficulties and recognizing the problems of persons with PID (TBC)

13:05-13:15 Nadezda Pejovic (NORDS) - The role of the network of patient organizations for Rd (national, regional, global)

13:15-13:30 dr Rada Miskovic (SGPI) and Ljiljana Kljajević (SPwPID) Cooperation of SGPI and SPwPID, definition of common goals and cooperation plan in the coming period

Lunch break: 13:30-14:15 (SGPI, POSPID)

**Workshop II: 14:15-16:00 Physicians and patients –
Importance of Collaboration**

Moderators: Ljiljana Vujasin (SPwPID) and dr Andrea Djuretic (SGPI)

14:15-14:30 Prof. Dr. Goran Čuturilo (UDC Tirsova) or dr Adrijan Sarajlija (IMC, Serbia) The importance of genetic analysis in patients with PID and family members, interpretation of results, prenatal diagnosis (TBC)

14:30-14:50 Representatives of SGPI and SPwPID (TBC)

The importance of the cooperation of the patient and the family of the person with PID with the doctor in the diagnosis and treatment process, planning the transfer of the patient from the pediatric to the adult immunologist (good practices)

14:50-15:05 Representatives of SGPI (TBC Symposium conclusions – what is important for patients?)
15:05-15:30 Q&A

Coffee Break: 15:45-15:55 (SGPI, POSPID)

**Joining Session VI of Symposium (with professionals)
Patient Representatives (15:55-16:15)**

**After 16:15 Free Time
17:30-18:30: Belgrade City Tour
19:00 Networking dinner**
