ESID DIAGNOSTIC WORKSHOP 2025
WORKSHOP PROGRAMME

Dates: 15-17 September 2025

Location: Hotel Schloss Reinach *(St.-Erentrudis-Straße 12 79112 Freiburg-Munzingen Baden-Württemberg, Germany)*

Sponsors: Grifols, CSL Behring, LFB

Dear colleagues and friends,

It is our great pleasure to announce the 7th Workshop on Diagnostics of Immunodeficiencies.

We would like to invite international clinicians and laboratory physicians to participate again in our expert symposium to exchange information about new diagnostic methods.

We will count on eight international speakers such as Dr. Mirjam van der Burg (Leiden, NL), Dr. Kimberly Gilmour (London, GB), Prof. Dr. Filomeen Haerynck (Ghent, BE), Prof. Dr. Bodo Grimbacher (Freiburg, D), Prof. Dr. Stephan Ehl (Freiburg, D).

We are looking very much forward to meeting you in the friendly atmosphere of Schloss Reinach in the beautiful and idyllic Freiburg district Munzingen to discuss with you state-of-the-art diagnostic procedures of T cell disorders, antibody deficiencies and disorders of the innate immune system in an interactive setting.

Looking forward to an intense workshop.

Best regards,

Klaus Warnatz and Clara Franco
