

Membership Renewal Process Manual

Dear Member,

We are happy to announce that the 2026 and 2026/2027 membership cycle is now active. After implementing some changes to the membership portal, as well as updating the available memberships, we invite you to renew your membership and enjoy all the benefits of joining the vibrant ESiD community. To make the process easier for you, here's a short guide on how to renew your membership.

Before you proceed with the membership renewal, we wanted to kindly remind you that in 2025, we switched to a **new membership platform - YourMembership**. If this is your first time on the new portal, you will need to sign in and reset your password first here: <https://esid.site-ym.com/login.aspx>, by following some simple steps listed below:

1. CLICK ON SIGN IN

2. RESET YOUR PASSWORD

As it is your first time entering this portal, please click on 'Click here to reset your password'.

You will be directed to a new webpage.

Enter your username and click on '**RESET PASSWORD**'. Upon submission of a valid username/email address, an email will be sent to you. The email will contain a link back to the website for you to reset your password.

Check your email program's SPAM filter as this "Reset Password" email may be treated as SPAM. Password reset email links expire after 24 hours
